## **DECLARATION FOR SINGAPORE TAX PURPOSES**

For Singapore income tax purposes, the components making up a Stapled Security are recognised separately, i.e. as one FH-REIT unit and one FH-BT unit. Accordingly, distributions from FHT are recognised separately as distributions from FH-REIT and FH-BT for the purpose of determining the applicable Singapore tax treatment.

The tax-exempt component of the distribution is exempt from Singapore income tax in the hands of all Stapled Securityholders, regardless of their nationality, corporate identity or tax residence status. No tax will be deducted at source from such distribution.

The capital component of the distribution represents a return of capital to Stapled Securityholders for Singapore income tax purposes and is therefore not subject to Singapore income tax. For Stapled Securityholders who are liable to Singapore income tax on profits from sale of Stapled Securities, the amount of Capital Distribution will be applied to reduce the cost base of their Stapled Securities for Singapore income tax purposes.

Taxable income component of the distribution comprises distribution made out of FH-REIT's taxable income that is not taxed at the trustee level. Tax will be deducted at source from the Taxable Income Distribution in certain circumstances. The following section describes the circumstances in which tax will or will not be deducted from such distribution.

1. The Trust Company (Asia) Limited, the trustee of FH-REIT (THE “**REIT Trustee**”) and Frasers Hospitality Asset Management Pte. Ltd., as manager of FH-REIT (the “**REIT Manager**”), will not deduct tax from distributions made out of FH-REIT's taxable income that is not taxed at FH-REIT's level to:
  - a) Stapled Securityholders who are individuals and who hold the Stapled Securities either in their sole names or jointly with other individuals;
  - b) Stapled Securityholders which are companies incorporated and tax resident in Singapore;
  - c) Stapled Securityholders which are Singapore branches of foreign companies that have obtained specific approval from the Inland Revenue Authority of Singapore to receive the distribution from FH-REIT without deduction of tax; or
  - d) Stapled Securityholders which are non-corporate entities (excluding partnerships) constituted or registered in Singapore, such as:
    - (i) institutions, authorities, persons or funds specified in the First Schedule to the Income Tax Act (Cap. 134);
    - (ii) co-operative societies registered under the Co-operative Societies Act (Cap. 62);
    - (iii) trade unions registered under the Trade Unions Act (Cap. 333);
    - (iv) charities registered under the Charities Act (Cap. 37) or established by an Act of Parliament; and
    - (v) town councils.
- (vi) To receive a gross distribution (i.e. no tax will be deducted from the Taxable Income Distribution), Stapled Securityholders falling within the categories (b) to (d) under Note 1 above are required to complete the applicable Section A, B or C of the “*Declaration for Singapore Tax Purposes Form*” (“**Form A**”).

These categories of Stapled Securityholders, unless they are exempt from tax because of their own circumstances, will have to pay income tax subsequently at their own applicable tax rates.

- (vii) Stapled Securityholders who fall within category (a) under Note 1 above are not required to submit Form A. The gross distribution received by these Stapled Securityholders (irrespective of

their tax residence status) is exempt from tax. However, this tax exemption does not apply to such Stapled Securityholders in respect of distribution derived by them through a partnership in Singapore or from the carrying on of a trade, business or profession. Such Stapled Securityholders, i.e. to whom the exemption does not apply, must declare the distribution received as income in their income tax returns.

4. For taxable income distributions made to categories of Stapled Securityholders that do not fall within the categories stated under Note 1 above, the REIT Trustee and the REIT Manager will deduct tax at the rate of 10% if the Stapled Securityholders are foreign non-individual investors. A foreign non-individual investor is one (other than an individual) who is not a resident of Singapore for income tax purposes and:
  - (a) who does not have a permanent establishment in Singapore; or
  - (b) who carries on any operation in Singapore through a permanent establishment in Singapore, where the funds used to acquire the Stapled Securities are not obtained from that operation.
5. To receive the distribution net of tax deducted at 10%, foreign non-individual investors are required to complete Section D of Form A.
6. The REIT Trustee and the REIT Manager will rely on the declarations made in Form A to determine (i) if tax is to be deducted for distributions to the categories of Stapled Securityholders listed in (b) to (d) under Note 1 above; and (ii) if tax is to be deducted at the rate of 10% for distributions to foreign non-individual investors under Note 4 above.
7. Stapled Securityholders who do not fall within the categories of Stapled Securityholders listed in Note 1 and Note 4 above can choose not to return Form A as tax will be deducted from the distributions made to them at the prevailing corporate tax rate in any case.
8. Beneficial owners of Stapled Securities in FHT who hold the Stapled Securities through depository agents will receive:
  - (a) Gross distribution if they are persons described in categories (a) to (d) under Note 1 above; or
  - (b) Distribution net of tax deducted at 10% if they are foreign non-individuals described in Note 4 above.
9. To receive gross distribution and distribution net of tax deducted at 10%, the depository agents are required to complete the "*Declaration by Depository Agents for Singapore Tax Purposes Form*" ("**Form B**") and its annexes.
10. Form A and Form B (and its annexes) will be sent to Stapled Securityholders and depository agents respectively, by FH-REIT's Unit Registrar, Boardroom Corporate & Advisory Services Pte. Ltd., on or around 18 May 2015.
11. Stapled Securityholders (Form A) and the depository agents (Form B and its annexes) will have to complete the forms legibly and send it to the Unit Registrar such that they are received by **5.00 p.m. on Thursday, 28 May 2015**. Failure to comply with any of these requirements will render Form A and Form B invalid and the REIT Trustee and the REIT Manager will be obliged to deduct tax at the prevailing corporate tax rate from the distributions in respect of which the declaration is made. Stapled Securityholders may wish to seek tax advice for completing the Form A and/or Form B.

## **DISTRIBUTION REINVESTMENT PLAN**

Further to the announcement dated 30 April 2015 in relation to the establishment of a distribution reinvestment plan (“**DRP**”), the REIT Manager and Frasers Hospitality Trust Management Pte. Ltd., as trustee-manager of FH-BT (the “**Trustee-Manager**”, and together with the REIT Manager, the “**Managers**”), wish to announce that the distribution reinvestment plan (the “**DRP**”) will apply to the Distribution. The statement containing the terms and conditions of the **DRP** (the “**DRP Terms and Conditions**”) is attached in the Appendix.

The **DRP** provides Stapled Securityholders with the option to receive their Distribution, either in the form of Stapled Securities or cash or a combination of both. A Stapled Securityholder will have the following options in respect of his Distribution:

- elect to receive a cash distribution on his existing Stapled Securities held; or
- elect to receive an allotment of Stapled Securities credited as fully paid in lieu of the cash amount of the distribution entitlement for the distribution period from 14 July 2014 to 31 March 2015 only; or
- elect to receive an allotment of Stapled Securities credited as fully paid in lieu of part of the cash amount of the distribution entitlement and the remaining distribution entitlement in cash.

Participation in the **DRP** is voluntary and Stapled Securityholders may elect to participate in respect of all or part of their stapled securityholding. Stapled Securities to be issued under the **DRP** will be issued under the existing general Stapled Security issue mandate which will expire upon (i) the conclusion of the first annual general meeting of FHT or (ii) the date by which the first annual general meeting of FHT is required by applicable regulations to be held, whichever is earlier.

### **1. Notice of Election**

The Notices of Election<sup>1</sup> will be sent to Stapled Securityholders registered in the Depository Register<sup>2</sup> as at the Books Closure Date on 18 May 2015.

Stapled Securityholders who wish to participate in the **DRP** will have to complete the Notice of Election and send it to the unit registrar of FHT, Boardroom Corporate & Advisory Services Pte. Ltd. (the “**Unit Registrar**”) at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (Telephone number: +65 6536 5355), such that it is received by 5.00 p.m. on 28 May 2015.

Overseas Stapled Securityholders who wish to be eligible to participate in the DRP should provide an address in Singapore for the service of notices and documents to the Managers c/o CDP, 4 Shenton Way, #02-01, SGX Centre 2, Singapore 068807, not later than three Market Days prior to the Books Closure Date. Stapled Securityholders which are subject to the laws and regulations of jurisdictions outside Singapore shall, in participating in the DRP, be deemed to have complied with all applicable legal and regulatory requirements of the relevant jurisdictions.

Where deduction of income tax is applicable and the Stapled Securityholders elect to receive the distributions in Stapled Securities, the number of Stapled Securities to be allotted under the DRP will be computed based on the distributions net of tax deducted.

## **3. Issue Price**

The issue price of each new Stapled Security for this DRP will be set at a 1.0% discount to the volume-weighted average traded price per Stapled Security for all trades on Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for each of the Market Days during the period of 10 Market Days prior to and ending on the Books Closure Date (the “**Issue Price**”).

The Managers will announce further details on the application of the DRP to the Distribution, including the Issue Price of new Stapled Securities, in due course.

## **DECLARATION IN INCOME TAX RETURN**

This Distribution is considered as income for the years 2014 and 2015. Beneficial owners of the Distribution, other than those who are exempt from tax on the Distribution or who are entitled to the reduced tax rate of 10%, are required to declare the gross amount of the taxable income component of the Distribution as taxable income in their Singapore income tax return for the years of assessment 2015 and 2016.

## 1. DISTRIBUTION REINVESTMENT PLAN STATEMENT

This Distribution Reinvestment Plan Statement (the “**Statement**”) contains the terms and conditions (the “**Terms and Conditions**”) of the Frasers Hospitality Trust Distribution Reinvestment Plan (the “**Distribution Reinvestment Plan**”) under which persons registered in the Register of Stapled Securityholders (as defined in paragraph 4.2 below), or as the case may be, the Depository Register (as defined in paragraph 4.2 below) as holders of such stapled securities in Frasers Hospitality Trust (the “**Stapled Securityholders**”) may elect to receive fully paid new stapled securities in Frasers Hospitality Trust (the “**Stapled Securities**”, and the new Stapled Securities, the “**New Stapled Securities**”) in lieu of part only or all of the cash amount of any distribution (including any interim, final, special or other distribution) (the “**Distribution**”) which is declared on the Stapled Securities held by them (after the deduction of applicable income tax, if any).

Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Statement.

## 2. SUMMARY OF MAIN FEATURES

The Distribution Reinvestment Plan provides Stapled Securityholders with the option to elect to receive New Stapled Securities in lieu of part only or all of the cash amount of any Distribution declared on their holding of Stapled Securities (after the deduction of applicable income tax, if any).

Under the present law in Singapore, there is no brokerage, stamp duty or other transaction costs payable by Participating Stapled Securityholders (as defined in paragraph 4.5 below) on New Stapled Securities allotted and issued under the Distribution Reinvestment Plan.

All Stapled Securityholders are eligible to participate in the Distribution Reinvestment Plan subject to the restrictions on Overseas Stapled Securityholders (as defined in paragraph 4.2 below), more particularly described in paragraph 4.4 below, and except for such other Stapled Securityholders or class of Stapled Securityholders as Frasers Hospitality Asset Management Pte. Ltd., as manager of Frasers Hospitality Real Estate Investment Trust (the “**REIT Manager**”) and Frasers Hospitality Trust Management Pte. Ltd., as trustee-manager of

Frasers Hospitality Business Trust (the “**BT Trustee-Manager**”, and together with the REIT Manager, the “**Managers**”), may in their discretion decide.

Stapled Securityholders may elect to participate in respect of, as may be determined by the Managers in their discretion, all or part of their holding of Stapled Securities to which each Notice of Election (as defined in paragraph 4.6 below) relates in respect of any Qualifying Distribution (as defined in paragraph 4.2 below).

Stapled Securityholders receiving more than one (1) Notice of Election may elect to participate in respect of all or part of their holding of Stapled Securities to which one (1) Notice of Election relates and elect not to participate in respect of all or part of their holding of Stapled Securities to which any other Notice of Election relates.

The Managers may, at their discretion, provide Stapled Securityholders with the option of making a permanent election to receive New Stapled Securities in respect of their entitlements to all future Qualifying Distributions, to which each Notice of Election relates. Stapled Securityholders should note that there is presently no permanent election feature available under the Distribution Reinvestment Plan and the Managers will make an announcement containing the relevant details should they choose to offer this feature to Stapled Securityholders in the future.

The Managers may, in their absolute discretion, determine that the Distribution Reinvestment Plan will apply to any particular Distribution. An announcement will be made by the Managers as soon as practicable following the determination by the Managers that the Distribution Reinvestment Plan is to apply to a particular Distribution, and in any event, by no later than the next Market Day (as defined in paragraph 4.2 below) immediately following the Books Closure Date (as defined in paragraph 4.2 below) in respect of the particular Distribution. Unless the Managers have determined that the Distribution Reinvestment Plan will apply to any particular Distribution, the Distribution concerned will be paid in cash to the Stapled Securityholders in the usual manner.

The New Stapled Securities to be allotted and issued under the Distribution Reinvestment Plan will rank *pari passu* in all respects with the existing Stapled Securities then in issue save only as regards to participation in the Qualifying Distribution which is the subject of the election (including the right to make any election pursuant to the Distribution Reinvestment Plan) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the Qualifying Distribution which is the subject of the election, unless the Managers otherwise specify.

Stapled Securityholders participating in the Distribution Reinvestment Plan will receive, on or about each Distribution Date (as defined in paragraph 4.2 below) of a Qualifying Distribution, notification letters setting out, *inter alia*, the number of New Stapled Securities allotted to them under the Distribution Reinvestment Plan.

The listing of and permission to deal in New Stapled Securities issued to Stapled Securityholders under the Distribution Reinvestment Plan on the Main Board of the SGX-ST is subject to the approval of the SGX-ST.

### 3. HOW TO PARTICIPATE

Participation in the Distribution Reinvestment Plan is optional and not transferable.

A Stapled Securityholder wishing to receive New Stapled Securities in respect of any Qualifying Distribution to which a Notice of Election received by him relates should complete the Notice of Election and return it, no later than the date and time to be specified by the Managers in respect of the Qualifying Distribution, to the unit registrar of Frasers Hospitality Trust, Boardroom Corporate & Advisory Services Pte. Ltd. (the “**Unit Registrar**”) at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (Telephone number: +65 6536 5355) (or such other address as may be announced by the Managers from time to time).

A Stapled Securityholder receiving more than one (1) Notice of Election and wishing to receive New Stapled Securities in respect of all of his entitlement to the Qualifying Distribution in respect of all of his holding of Stapled Securities must complete and sign all Notices of Election received by him and return the completed and signed Notices of Election, no later than the date and time to be specified by the Managers in respect of the Qualifying Distribution, to the Unit Registrar at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (Telephone number: +65 6536 5355) (or such other address as may be announced by the Managers from time to time).

To be effective in respect of any Qualifying Distribution to which a Notice of Election relates, such duly completed and signed Notice of Election must be received by the Unit Registrar, no later than the date and time to be specified by the Managers in respect of that Qualifying Distribution. The Unit Registrar’s records of the level of a Stapled Securityholder’s participation will be conclusive evidence of the matters so recorded.

By submitting a Notice of Election, a Stapled Securityholder consents to the collection, use and disclosure of the Stapled Securityholder’s personal data by Frasers Hospitality Trust (or its agents) and/or the Managers for all purposes in connection with the purpose of the processing and administration by Frasers Hospitality Trust (or its agents) and/or the Managers of the Distribution Reinvestment Plan or other ancillary purposes (the “**Permitted Purposes**”), and in order for Frasers Hospitality Trust (or its agents) and/or the Managers to comply with any applicable laws, listing rules, regulations and/or guidelines. The Stapled Securityholder further authorises Frasers Hospitality Trust (or its agents) and/or the Managers to disclose such data to (a) the Managers’ authorised representatives for all purposes in connection with any internal analysis, implementation of corporate actions and investor relations communications, and (b) the following persons and their authorised representatives, for any of the Permitted Purposes: (i) the Unit Registrar and its related corporations; (ii) The Central Depository (Pte) Limited (the “**CDP**”) and its related corporations; (iii) the Stapled Securityholder’s bank by whom the Stapled Securityholder’s bank account is maintained for direct crediting (if applicable); and (iv) any third party with whom the Unit Registrar, CDP or any of their related corporations has service arrangements.

### **4.3 Eligibility**

All Stapled Securityholders are eligible to participate in the Distribution Reinvestment Plan, subject to the restrictions on Overseas Stapled Securityholders, more particularly described in paragraph 4.4 below, and except that participation in the Distribution Reinvestment Plan shall not be available to such Stapled Securityholders or class of Stapled Securityholders as the Managers may in their discretion determine and further subject to the requirement that such participation by the Stapled Securityholders will not result in a breach of any other restriction on such Stapled Securityholders' holding of Stapled Securities which may be imposed by any

statute, law or regulation in force in Singapore or any other relevant jurisdiction, as the case may be, or prescribed by the Deeds.

#### **4.4 Stapled Securityholders Resident Outside Singapore**

The New Stapled Securities to be allotted and issued under the Distribution Reinvestment Plan have not been, and will not be, registered under the U.S. Securities Act and may not be offered, sold or resold in the United States or to, or for the account or benefit of, any U.S. person, except in a transaction not subject to or exempt from the registration requirements of the U.S. Securities Act and the securities laws of any state or other jurisdiction in the United States.

Furthermore, for practical reasons and to avoid any violation of the securities laws applicable in countries outside Singapore where Stapled Securityholders may have their registered addresses, the Distribution Reinvestment Plan may, at the discretion of the Managers, not be offered to Overseas Stapled Securityholders. No Overseas Stapled Securityholder shall have any claim whatsoever against Frasers Hospitality Trust, the Managers, the Unit Registrar or CDP as a result of the Distribution Reinvestment Plan not being offered to such Overseas Stapled Securityholders. If the Managers have decided not to offer the Distribution Reinvestment Plan to Overseas Stapled Securityholders, Overseas Stapled Securityholders who receive or come to have in their possession this Statement and/or a Notice of Election may not treat the same as an invitation to them and are advised to inform themselves of, and to observe, any prohibitions and restrictions, and to comply with any applicable laws and regulations relating to the Distribution Reinvestment Plan as may be applicable to them.

Overseas Stapled Securityholders who wish to be eligible to participate in the Distribution Reinvestment Plan should provide an address in Singapore for the service of notices and documents to The Central Depository (Pte) Limited, 4 Shenton Way, #02-01, SGX Centre 2, Singapore 068807 (or such other address as may be announced by the Managers from time to time), not later than three (3) Market Days prior to the Books Closure Date (or such other cut-off date as the Managers may determine). Stapled Securityholders should note that all correspondences and notices will be sent to their last registered mailing addresses with CDP. Stapled Securityholders which are subject to the laws and regulations of jurisdictions outside Singapore shall, in participating in the Distribution Reinvestment Plan, be deemed to have complied with all applicable legal and regulatory requirements of the relevant jurisdictions.

#### **4.5 Level of Participation**

A Stapled Securityholder may elect to participate in the Distribution Reinvestment Plan (the "**Participating Stapled Securityholder**") in respect of all or, at the discretion of the Managers, part only of his holding of Stapled Securities as at each Books Closure Date to which each Notice of Election (as defined in paragraph 4.6 below) received by him relates for a Qualifying Distribution (the "**Participating Stapled Securities**"). If the Notice of Election submitted by a Stapled Securityholder is not in order, such Stapled Securityholder will receive their Distribution in cash.

#### **4.6 Notice of Election to Participate**

The Managers will, at their discretion, send to each Stapled Securityholder one (1) or more notices of election (in such form as the Managers may approve) through which each Stapled Securityholder may indicate whether they wish to participate in the Distribution Reinvestment Plan (the "**Notice of Election**").

To be effective in respect of any Qualifying Distribution, a Notice of Election duly completed and signed by the relevant Stapled Securityholder must be received by the Unit Registrar by the date and time to be specified by the Managers in respect of that Qualifying Distribution. A Stapled Securityholder receiving two (2) or more Notices of Election may elect to receive New Stapled Securities in respect of his entitlement to which one (1) Notice of Election relates and decline to receive New Stapled Securities in respect of his entitlement to which any other Notice of Election relates.

A Stapled Securityholder receiving two (2) or more Notices of Election and wishing to receive New Stapled Securities in respect of all of his entitlement to the Qualifying Distribution in respect of all his holding of Stapled Securities must complete and sign all the Notices of Election received by him and return the completed and signed Notices of Election, no later than the date and time to be specified by the Managers in respect of the Qualifying Distribution, to the Unit Registrar at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (Telephone number: +65 6536 5355) (or such other address as may be announced by the Managers from time to time).

A Notice of Election to participate in the Distribution Reinvestment Plan in any other form will not be accepted by the Unit Registrar. If a Notice of Election is received after the date and time specified by the Managers for the receipt of such Notices of Election for any particular Qualifying Distribution, the Notice of Election will not, unless otherwise determined by the Managers, be effective for that Qualifying Distribution

A Notice of Election in respect of any Qualifying Distribution shall not, upon its receipt by the Unit Registrar, be withdrawn or cancelled.

The Managers are under no obligation to correct invalid Notices of Election on behalf of any Stapled Securityholder or to provide any reason for rejecting any Notice of Election.

By electing to participate in the Distribution Reinvestment Plan, the Participating Stapled Securityholder unconditionally:

- (a) warrants to the Managers that it has the legal right and full power and authority to participate in the Distribution Reinvestment Plan and that its participation in the Distribution Reinvestment Plan will not result in a breach of any law or regulation by which it is bound;
- (b) acknowledges that the Managers may at any time determine that the Participating Stapled Securityholder's Notice of Election or other form ("**Form**") is valid, even if the relevant Form is incomplete, contains errors or is otherwise defective;
- (c) acknowledges that the Managers may reject any Form;
- (d) acknowledges that the Managers have not provided the Participating Stapled Securityholder with investment or other advice and that the Managers do not have any obligation to provide any advice in connection with the Distribution Reinvestment Plan;
- (e) agrees to these Terms and Conditions and agrees not to do any act or thing which would be contrary to the intention or purpose of the Distribution Reinvestment Plan; and

(f) submits to the jurisdiction of the Singapore courts,

in each case, at all times until termination of the Distribution Reinvestment Plan or of the Participating Stapled Securityholder's participation in the Distribution Reinvestment Plan.

#### **4.7 Extent of Application of Distribution Reinvestment Plan to each Distribution**

The Managers may determine, in their absolute discretion, in respect of any Distribution, whether the Distribution Reinvestment Plan shall apply to such Distribution. If, in their absolute discretion, the Managers have not determined that the Distribution Reinvestment Plan is to apply to a particular Distribution, such Distribution shall be paid in cash to Stapled Securityholders in the usual manner notwithstanding their elections under the Distribution Reinvestment Plan.

#### **4.8 Stapled Security Entitlement**

By electing to participate in the Distribution Reinvestment Plan in respect of any Notice of Election received by him, a Participating Stapled Securityholder elects in respect of any Qualifying Distribution (after the deduction of any applicable income tax) to which such Notice of Election relates to receive Stapled Securities in lieu of the cash amount of the Qualifying Distribution.

In respect of any Qualifying Distribution, the number of New Stapled Securities to be allotted and issued to the Participating Stapled Securityholder electing to receive New Stapled Securities in respect of a Notice of Election shall be calculated in accordance with the following formula:

$$N = \frac{(U \times D_1) - (U \times D_1 \times T)}{V} + \frac{(U \times D_2)}{V} + \frac{(U \times D_3)}{V} + \frac{(U \times D_4)}{V}$$

(each dollar amount in the numerator rounded down to the nearest two decimal places and the final calculation for each component to be rounded down to the nearest whole Stapled Security)

Where:

N = the number of New Stapled Securities to be allotted and issued as fully paid to the Participating Stapled Securityholder in respect of such Notice of Election.

U = the number of Participating Stapled Securities held by the Participating Stapled Securityholder as at the Books Closure Date for which such Notice of Election relates.

D<sub>1</sub> = is the taxable income component of the Qualifying Distribution to which such Notice of Election relates.

D<sub>2</sub> = is the tax-exempt income component of the Qualifying Distribution to which such Notice of Election relates.

D<sub>3</sub> = is the capital component of the Qualifying Distribution to which such Notice of Election relates.

- D<sub>4</sub> is the other gains component of the Qualifying Distribution to which such Notice of Election relates.
- T = is the applicable income tax rate.
- V = the issue price of a New Stapled Security, which shall for the purpose of calculating the number of New Stapled Securities to be allotted and issued as fully paid to the Participating Stapled Securityholder, pursuant to the Distribution Reinvestment Plan, be an amount in Singapore Dollars determined by the Managers (the “**Relevant Amount**”), which Relevant Amount shall be as permitted under the Listing Manual, or any other applicable legislation, which is currently set at not more than a ten per cent. (10%) discount (or such other discount as may be permitted by the Listing Manual) to, nor shall it exceed, the volume-weighted average traded price per Stapled Security for all trades on the SGX-ST for each of the Market Days during the Price Determination Period. In the event that there is no trading in the Stapled Securities during the Price Determination Period, the Relevant Amount shall not exceed the volume-weighted average traded price per Stapled Security for all trades on the SGX-ST, for each of the Market Days during a period to be determined by the Managers prior to the announcement of the application of the Distribution Reinvestment Plan to such Distribution.

The Managers shall have full power to make such provisions as they think fit where the number of New Stapled Securities calculated in accordance with the above formula becomes attributable in fractions, including provisions whereby fractional entitlements are rounded down to the nearest whole Stapled Security with the fractional entitlements disregarded, or otherwise dealt with in such manner as they may deem fit.

#### **4.9 Terms of Allotment**

Unless the Managers otherwise determine, all New Stapled Securities to be allotted under the Distribution Reinvestment Plan will be allotted as fully paid. All such New Stapled Securities shall upon allotment and issue, rank *pari passu* in all respects with all existing Stapled Securities then in issue save only as regards participation in the Qualifying Distribution which is the subject of the election (including the right to make any election pursuant to the Distribution Reinvestment Plan) or any other distributions, bonuses or rights paid, made, declared or announced prior to, or contemporaneous with, the payment or declaration of the Qualifying Distribution which is the subject of the election, unless the Managers otherwise specify.

Participating Stapled Securityholders will have the New Stapled Securities credited to their Securities Accounts maintained with CDP.

#### **4.10 Odd Lots**

A Stapled Securityholder who elects to receive New Stapled Securities under the Distribution Reinvestment Scheme in lieu of the cash amount of the Qualifying Distribution may receive such New Stapled Securities in odd lots. Stapled Securityholders who receive odd lots of New Stapled Securities under the Distribution Reinvestment Scheme and who wish to trade such odd lots on the SGX-ST should do so on the Unit Share Market, which allows trading of odd lots with a minimum of one (1) Stapled Security.

#### **4.11 Notification Letter to Participating Stapled Securityholders**

A notification letter will be sent to each Participating Stapled Securityholder on or about each Distribution Date, which in any event shall be no later than 90 calendar days (or such other period as may be specified under the Deeds) after the Distribution Calculation Date for the relevant Distribution Period, or such other period as the Managers may decide, detailing, among other things (a) the number of Participating Stapled Securities held by the Participating Stapled Securityholder in respect of his Notice of Election and (b) the number of Stapled Securities to be allotted to the Participating Stapled Securityholder under the Distribution Reinvestment Plan.

#### **4.12 Cost to the Participating Stapled Securityholders**

Under the present law in Singapore, brokerage or other transaction costs and stamp duty will not be payable by Participating Stapled Securityholders on New Stapled Securities allotted and issued under the Distribution Reinvestment Plan.

#### **4.13 Cancellation of Application of the Distribution Reinvestment Plan**

Notwithstanding any provision in these Terms and Conditions, if at any time after the Managers have determined that the Distribution Reinvestment Plan shall apply to any particular Distribution and before the allotment and issue of New Stapled Securities in respect of that Distribution, the Managers shall consider that by reason of any event or circumstance (whether arising before or after such determination) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement the Distribution Reinvestment Plan in respect of such Distribution, the Managers may, at their absolute discretion and as they may deem fit in the interest of Frasers Hospitality Trust and without assigning any reason therefor, cancel the application of the Distribution Reinvestment Plan to the Distribution. In such event, the Distribution shall be paid in cash to Stapled Securityholders in the usual manner. Stapled Securityholders should note that in the event the application of the Distribution Reinvestment Plan to a Distribution is cancelled, the date of payment of the Distribution in cash may be delayed.

#### **4.14 Modification, Suspension and Termination of the Distribution Reinvestment Plan**

The Distribution Reinvestment Plan may be modified, suspended (in whole or in part) or terminated at any time by the Managers as they deem fit, provided that notice in writing is given to all Stapled Securityholders.

#### **4.15 General Administration of the Distribution Reinvestment Plan**

The Managers may implement the Distribution Reinvestment Plan in the manner it deems fit.

The Managers have the power to:

- (i) determine procedures, rules and regulations for administration of the Distribution Reinvestment Plan consistent with these Terms and Conditions;
- (ii) settle in such manner as it thinks fit any difficulty, anomaly or dispute (including relating to the interpretation of any provision, regulation or procedure or as to any rights under the Distribution Reinvestment Plan) which may arise in connection with the Distribution Reinvestment Plan, whether generally or in relation to any Participating Stapled Securityholder or any Stapled Securities and the determination of the Managers will be

conclusive and binding on all Stapled Securityholders and other persons to whom the determination relates;

- (iii) delegate to any one or more persons, for such period and on such conditions as the Managers may determine, the exercise of any of their powers or discretions under or in respect of the Distribution Reinvestment Plan and references to a decision, opinion or determination of the Managers include a reference to the decision, opinion or determination of the person or persons to whom the Managers have delegated their authority for the purposes of administering the Distribution Reinvestment Plan; and
- (iv) waive strict compliance by the Managers or any Stapled Securityholder with any of these Terms and Conditions.

#### **4.16 Takeover Implications**

The attention of Stapled Securityholders is drawn to Rule 14 of the Take-over Code. In particular, a Stapled Securityholder should note that he may be under an obligation to extend a take-over offer for Frasers Hospitality Trust if:

- (a) he acquires, by participating in the Distribution Reinvestment Plan in relation to any Qualifying Distribution, whether at one time or different times, Stapled Securities which (taken together with Stapled Securities held or acquired by him or persons acting in concert with him) carry thirty per cent. (30%) or more of the voting rights of Frasers Hospitality Trust; or
- (b) he, together with persons acting in concert with him, holds not less than thirty per cent. (30%) but not more than fifty per cent. (50%) of the voting rights of Frasers Hospitality Trust and he, or any person acting in concert with him, acquires in any period of six (6) months additional Stapled Securities carrying more than one per cent. (1%) of the voting rights of Frasers Hospitality Trust by participating in the Distribution Reinvestment Plan in relation to any Qualifying Distribution.

Stapled Securityholders who are in doubt as to whether they would incur any obligation to make a take-over offer under the Take-over Code as a result of any acquisition of Stapled Securities through their participation in the Distribution Reinvestment Plan are advised to consult their professional advisers and/or the Securities Industry Council of Singapore at the earliest opportunity.

Unless otherwise provided in these Terms and Conditions, any notices, documents and statements required to be given by the Managers to a Participating Stapled Securityholder shall be given in accordance with the applicable provisions of the Deeds.

### **5. LISTING ON THE SGX-ST**

The Managers shall make the necessary applications for the listing of the New Stapled Securities to be issued and allotted under the Distribution Reinvestment Plan on the SGX-ST.
